## **Part 1: Scholarship Requirements:**

### **Financial Scholarship Eligibility Guidelines and Application Procedures**

This Scholarship program is offered to accommodate potential Future Star Program students who would be unable to participate in our programs due to financial hardships. The Future Star Program Scholarship provides reduced fees for those who qualify based upon family income or special family circumstances. As the applicant's guardian works to fill out the application form, please review the following Scholarship Application Eligibility Guidelines:

- 1.) Scholarships will be awarded based upon the demonstrated need and the availability of funds.
- 2.) Amount of fees waived will be based on income criteria and household size and the assessment of Special Situations.
- 3.) All applicant information is confidential and not a matter of public record.
- 4.) All applicant information must be true and accurate. Scholarships are legally recoverable if paid and awarded on the basis of false information.
- 5.) Proof of financial need must be presented by submitting your most recent Federal Income Tax Return (Form 1040 or Form 1040 A) and corresponding W-2 or 1099 earnings summaries. If applicant is not required to file an income tax return, then additional documentation is required (see attached).
- 6.) Scholarships will not be reviewed and awarded unless the application form is completely filled out, properly submitted by the due date stated on the form.
- 7.) Any individual that withdraws or is expelled from a class, or attends fewer than 75% of all classes for which they are receiving scholarship monies will no longer be eligible to receive scholarships unless there are extenuating circumstances.
- 8.) After the family receives notification of scholarship award it is the family's responsibility to make initial payments to The Little Theatre On The Square for dance and drama classes.
- 9.) Costume Fees are not included in the amount of the Scholarship Award.

10.) Due to limited funding qualifying financially for a scholarship does not guarantee that you will be awarded a scholarship at that amount. Also, scholarship awards will be based on income and any special needs, which may be listed on the application form, will be taken into consideration as award amounts are decided.

**Additional Documentation Required When Applicant has No Federal Income Tax Return & W-2 Forms**
